

This chart outlines examples of common business expenses eligible for VAT refunds to companies based in Belgium. The numbers reflect the percentage of VAT charged in each country and which categories are eligible for a refund. An empty box means there is no refund for that particular category in the associated country. This is a general guide only, please contact us for specific information for your business.

\* Subject to some restrictions and limitations.

1 Refund to businesses from countries with officially recognised reciprocity.

2 Refund possible only through VAT/GST registration prior to incurring the expenses.

3 Refund may be possible upon justifying that reciprocity principle applies.

(in claimant's home country there is no VAT or similar tax or exists a similar VAT refund system).
