

VAT is complex, **We make it simple.**

VAT Consultancy

Our team of experienced VAT consultants offer a comprehensive range of VAT consultancy services designed to support you in the management of your business's VAT compliance and help you to deal with VAT issues and changes in VAT legislation.

Our Services

Our VAT consultants can provide practical VAT advice and training on a multiple of issues specific to your business needs including:

- The VAT treatment of cross border transactions
- Maximising VAT recovery and the application of VAT recovery rates
- Multi-jurisdictional VAT obligations
- Accounting for VAT
- VAT concepts such as VAT groups and the reverse charge mechanism
- Review of accounts payable process and benchmarking against current best practice levels
- Review of accounts receivable process including the application of the correct VAT rates and the correct classification of sales
- The completion of VAT returns, EC Sales Lists and Intrastat Returns

The Benefits

- VAT risk of the business is reduced and managed
- VAT recovery and VAT savings maximised
- Mitigation of interest and penalties by supporting your business in meeting VAT obligations
- Increased knowledge of VAT legislation and practical VAT know-how throughout the business
- Good corporate governance as no audit independence issues
